Attachments: CFAC_BERA Refined ESV Technical Memorandum_092518.pdf

Mr. Cirian,

Please see the attached Interim Deliverable for the Baseline Ecological Risk Assessment (BERA) Work Plan. This deliverable was prepared to supplement the general risk assessment framework provided in the BERA Work Plan and to provide detailed assumptions and methodology to perform COPEC refinement beyond what was included in the work plan.

This is the last interim deliverable to be submitted as described in the draft risk assessment work plans. Please feel free to reach out if you have any questions regarding this submittal.
